Re: Reyes Silva, et al v. Legend Upper West LLC, et al  
Docket No.: 16-cv-03552 (PGG) (KHP)

Your Honor:

Our office represents Plaintiffs in the above-referenced matter. We write to respectfully request a brief extension of the deadline to submit Plaintiffs' inquest memorandum and supporting documents, from today, October 28, 2021, to Friday, November 5, 2021. This is the first request of its kind. We did not obtain Defendants' consent to the within request because they are in default.

On September 15, 2021, the Court issued an order (ECF Dkt. No. 102) directing Plaintiffs to submit an inquest memorandum and supporting documents in regard to the damages inquest that is currently before the Court. Our office has drafted the requisite documents. However, most of the Plaintiffs currently reside in another country and it has been difficult to get in touch with them to review the inquest submission, including their declarations. Accordingly, our Office respectfully requests a brief extension of time to submit Plaintiffs' inquest memorandum and supporting documents.

If the Court so requires, our office will consent to an equivalent extension for the defaulting Defendants to file objections or a response to Plaintiffs' inquest submission, from November 29, 2021 to December 7, 2021.

We apologize for the delay in making this request.

Plaintiffs thank the Court for its time and consideration of this matter.

Respectfully Submitted,

/s/ William K. Oates, Esq.
